networking, come armed with a question, a challenge you need help with,
a connection you need to make and with the help of the crowd we will see
what we can do

Big Society Capital will be holding a social investment surgery over lunchtime on of the 2nd November 12.20-2.00pm. As a wholesale investor we are interested in talking to commissioners, Corporates, CEOs or FDs of large turnover social enterprises and charities about your interest in social investment, your capital needs and to hear your innovative ideas around how repayable finance can best create social impact. Meetings will be by appointment only and to ensure the maximum value from the session a call or discussion before agreeing an appointment will be arranged.
